When to expect your payment and common questions

10 Summary of All Fees

Quick reference table

Highlighted sections contain the core rules, calculation method, and visual examples.
Start there if you want to understand exactly how your payout works.

1. Welcome

Thank you for partnering with LiveLuxe to manage your property. This guide explains exactly how your monthly disbursement (payout) is calculated, what deductions are made, and when you can expect to receive your funds.

We believe in full transparency. Every line item on your monthly statement is explained in this document so you always know where your money goes.

What Is a Disbursement?

A disbursement is your monthly payout from LiveLuxe. It represents your share of the rental income earned from your property, after all applicable fees, commissions, and expenses have been deducted.

What You Receive Each Month

- **A bank transfer** — your net payout, deposited directly into your nominated bank account
- **A PDF statement** — emailed to you, showing a full breakdown of every booking, fee, and deduction

The Deduction Flow at a Glance

2. The Rules — When You Get Paid

THE TWO CONDITIONS

For a booking to appear on your monthly disbursement, **both** of these must be true:

- 1 The booking has finished** — the guest checked out on or before the last day of that month.
- 2 The payout was received** — the platform payment arrived in the LiveLuxe trust account during that month.

If either condition is not met, the booking simply rolls to the next month. No money is lost.

Visual: Which Bookings Qualify?

Key takeaway:

Booking D is the tricky one. The guest checked out in May, but because check-in was Friday May 28, Airbnb's payout (1 business day later) lands on Monday June 2. Since the money didn't arrive in the trust in May, this booking rolls to June.

No money is lost — it just appears on next month's statement.

3. Platform Payout Timing

Each booking platform pays on a different schedule. This determines *when* the money arrives in the trust account.

PLATFORM	WHEN THEY PAY	WEEKEND RULE
Airbnb	1 business day after check-in	Sat/Sun/Holiday → Next Monday
Booking.com	First Friday after checkout	Always lands on a Friday
VRBO	Based on booking confirmation date	Standard business days
Direct	Collected at time of booking	Immediate

Airbnb Payout Examples

Check-in on a Weekday		Check-in on a Weekend	
Check-in: Monday	Payout: Tuesday	Check-in: Friday	Payout: Monday
Check-in: Tuesday	Payout: Wednesday	Check-in: Saturday	Payout: Monday
Check-in: Wednesday	Payout: Thursday	Check-in: Sunday	Payout: Monday
Check-in: Thursday	Payout: Friday	Weekend check-ins always pay Monday	

Booking.com Payout Examples

Checkout: Monday	Payout: Friday (same week)	Checkout: Friday	Payout: Next Friday (7 days)
Checkout: Wednesday	Payout: Friday (same week)	Checkout: Saturday	Payout: Next Friday
Checkout: Thursday	Payout: Friday (next day)	Checkout: Sunday	Payout: Next Friday

4. Straddling Bookings — Month-Boundary Diagrams

The most common question owners have is about bookings near the end of a month. These diagrams show exactly which month each booking falls into.

Scenario: End of May 2026

May 31 (Saturday) and June 1 (Sunday) are both non-business days.

May 2026 Calendar

MON	TUE	WED	THU	FRI	SAT	SUN
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	31	Jun 1

☐ Booking E (check-in) ☐ Booking E (checkout) ☐ Booking F ☐ Weekend

Booking E: May 26–28 (Airbnb)

- Check-in: Mon May 26
- Check-out: Wed May 28
- Airbnb pays: Tue May 27 (next biz day)
- Booking elapsed: **Yes (May)**
- Payout received: **Yes (May)**

Included in May disbursement

Booking F: May 29–30 (Airbnb)

- Check-in: Thu May 29
- Check-out: Fri May 30
- Airbnb pays: Fri May 30 (next biz day)
- Booking elapsed: **Yes (May)**
- Payout received: **Yes (May)**

Included in May disbursement

But what if check-in was Friday May 30?

Airbnb pays 1 business day after check-in. The next business day after Friday is

Monday June 2

. Even though the booking starts and finishes in May (checkout Saturday May 31), the payout doesn't arrive until June. This booking would appear on your

June statement

instead.

The Critical Pattern

WHEN END-OF-MONTH BOOKINGS ROLL FORWARD

- **Airbnb check-in on Friday/Saturday/Sunday** at month end → payout lands Monday (next month)
- **Booking.com checkout on Saturday/Sunday/Monday** at month end → payout lands Friday (possibly next month)

This is rare and only affects 1–3 bookings per month at most. The money is never lost — it always appears on the following month's statement.

5. How Your Payout Is Calculated

Your disbursement follows a precise order of deductions. Each step is shown on your monthly statement.

1	Gross Booking Amount — what the guest paid		\$6,000.00
2	Channel Commission — Airbnb/Booking.com takes 16.5%	—	\$990.00
	Channel Payout — amount that enters the trust account	=	\$5,010.00
3	Management Fee — 18% of channel payout (\$5,010)	—	\$901.80
	GST on Management — 10% of management fee	—	\$90.18
4	Cleaning Fee — paid to the cleaning team (typically \$600–\$750/month)	—	\$650.00
5	Software Fee — \$65.99/property/month	—	\$65.99
6	Property Expenses — bills paid on your behalf	—	\$0.00
	YOUR FINAL PAYOUT	=	\$3,302.03

Note: Management fee rates vary by owner agreement. The 18% + GST shown above is an example — your rate may differ. Please refer to your management agreement for your specific rate.

Channel Commission Rates

PLATFORM	RATE	WHO TAKES IT
Airbnb	16.5%	Airbnb deducts before paying trust
Booking.com	16.5%	Booking.com deducts before paying trust
VRBO	13.5%	VRBO deducts before paying trust
Direct	0%	No platform fee

6. Full Worked Example — May 2026

Let’s walk through a complete May disbursement for an owner with one property that had three bookings.

The Three Bookings

#	GUEST	PLATFORM	CHECK-IN	CHECK-OUT	GROSS	CLEANING	QUALIFIES?
1	Sarah K.	Airbnb	May 2	May 8	\$1,200	\$150	Yes
2	James W.	Booking.com	May 12	May 16	\$800	\$120	Yes
3	Li M.	Airbnb	May 21	May 24	\$600	\$120	Yes

Step-by-Step Calculation

Per-Booking Breakdown

	BOOKING 1 (AIRBNB)	BOOKING 2 (BOOKING.COM)	BOOKING 3 (AIRBNB)	TOTAL
Gross amount	\$1,200.00	\$800.00	\$600.00	\$2,600.00
Channel fee	-\$198.00 (16.5%)	-\$132.00 (16.5%)	-\$99.00 (16.5%)	-\$429.00
Channel payout	\$1,002.00	\$668.00	\$501.00	\$2,171.00

Monthly Deductions (Applied to Total Channel Payout)

1	Total Channel Payout (3 bookings)	\$2,171.00
3	Management Fee (18% × \$2,171)	-\$390.78
	GST on Management Fee (10% × \$390.78)	-\$39.08
4	Total Cleaning (3 bookings: \$150 + \$120 + \$120)	-\$390.00
5	Software Fee (1 property × \$65.99)	-\$65.99
6	Expenses: Water bill paid on your behalf	-\$72.50
	YOUR MAY PAYOUT	= \$1,212.65

Timeline of Events

DATE	EVENT	WHAT HAPPENS
May 2	Sarah checks in	Airbnb payout triggered
May 5 (Mon)	Airbnb pays \$1,002	Arrives in trust account
May 8	Sarah checks out	Booking 1 complete
May 12	James checks in	—
May 16	James checks out	Booking.com payout triggered
May 23 (Fri)	Booking.com pays \$668	Arrives in trust account
May 21	Li checks in	Airbnb payout triggered
May 22 (Thu)	Airbnb pays \$501	Arrives in trust account
May 24	Li checks out	Booking 3 complete
Jun 3	Disbursement processed	\$1,212.65 deposited to your account
Jun 3	Statement emailed	PDF with full breakdown sent to you

7. Understanding Each Fee

Channel Commission (16.5% / 13.5%)

Charged by the booking platform (Airbnb, Booking.com, or VRBO) — **not by LiveLuxe**. The platform takes their commission before sending payment to the trust account. You never see this money arrive; it's already deducted.

Cleaning Fee

After each guest, your property is professionally cleaned. The cleaning fee is charged to the guest as part of the booking and then paid to the cleaning team. This is an owner cost — deducted after the management fee has been calculated on the channel payout.

Typical monthly cleaning costs range from **\$600–\$750** depending on the number of bookings and property size.

Management Fee (18% + GST)*

LiveLuxe’s fee for full-service property management, including:

- 24/7 guest communications and support
- Listing optimisation and dynamic pricing
- Booking management across all platforms
- Check-in/check-out coordination
- Property inspections and maintenance
- Monthly financial reporting and disbursements

COMPONENT	RATE	ON \$2,171 CHANNEL PAYOUT
Management fee	18% of channel payout	\$390.78
GST	10% of management fee	\$39.08
Total	19.8% effective	\$429.86

*Management fee rates vary per owner agreement. Some agreements include GST in the rate, and commission percentages may differ. The 18% + GST example above is illustrative — refer to your specific management agreement for your rate.

Software Fee (\$65.99/month per property)

A flat monthly fee covering the technology platforms that manage your listing:

- **KeyNest** — secure key management for guest access
- **PriceLabs** — dynamic pricing to maximise your revenue
- **Enso** — guest experience and communication platform

Charged once per property per month, regardless of bookings.

Property Expenses

Bills or costs paid on your behalf, passed through at cost with no markup:

- Owners Corporation (OC) levies
- Strata / body corporate
- Water bills

- Electricity
- Internet
- Repairs, photography, other

Important:

Expenses are deducted

after

the management fee. They do not affect the management fee calculation — they are simply subtracted from your remaining balance.

8. Reading Your Monthly Statement

Each month you receive a PDF statement via email. Here is what each section contains:

SECTION	WHAT IT SHOWS
Header	Your name, disbursement period (e.g. “May 2026”), LiveLuxe branding
Booking Income	Every qualifying booking: dates, guest name, platform, gross, channel fee, payout received. One row per booking.
Management Fee	Base fee (18% of channel payout) and GST (10% of fee) shown separately for tax records
Cleaning Fees	Total cleaning costs across all bookings
Monthly Charges	Software fee (\$65.99 per property)
Expenses	Itemised list of any bills paid on your behalf
Final Payout	Bold total in AUD — the amount deposited to your bank

Tax Tip:

Keep your monthly statements for your records. They contain all the information your accountant needs at tax time, including GST amounts on the management fee.

9. Monthly Timeline & FAQ

WHEN	WHAT HAPPENS
During the month	Guests stay. Platforms process payouts into trust.
1st–3rd of next month	LiveLuxe reconciles bookings against bank statements.
3rd–5th of next month	Disbursements calculated. Statements generated.
5th–7th of next month	Bank transfers processed. PDF statements emailed.

Frequently Asked Questions

Why is a booking I know about not on my statement?

It may not have qualified because either the guest hasn't checked out yet, or the platform payment hasn't arrived in trust. It will appear on a future statement once both conditions are met.

Why does the gross differ from what I see on Airbnb?

Airbnb shows you their "host payout" (after their commission). Our statement shows the full guest payment as the gross, then deducts the channel fee as a separate line. Both are correct.

Can I change my bank details?

Yes. Contact LiveLuxe at least 5 business days before the next disbursement.

Is GST included in the management fee?

GST is shown separately. The management fee is 18% of channel payout. GST (10%) is applied on top. Total effective rate: 19.8%. Note that management fee rates may vary per owner agreement — some agreements include GST in the rate, and commission percentages may differ.

10. Summary of All Fees

FEE	RATE / AMOUNT	CHARGED BY	WHEN DEDUCTED
Airbnb commission	16.5% of gross	Airbnb	Before payout to trust
Booking.com commission	16.5% of gross	Booking.com	Before payout to trust
VRBO commission	13.5% of gross	VRBO	Before payout to trust
Management fee*	18% of channel payout	LiveLuxe	After channel payout
GST on management	10% of mgmt fee	ATO (via LiveLuxe)	After channel payout
Cleaning fee	Varies per property	Cleaning team	After management fee
Software fee	\$65.99/month/property	LiveLuxe	After cleaning
Property expenses	At cost	Various	After cleaning

THE GOLDEN RULE

Gross → Channel Fee → Management + GST → Cleaning → Software → Expenses →
Your Payout
